FLAGSTAFF, AZ

From I-40 on the north east side of Flagstaff follow Hyw 89 north for 11.8 miles:

DO NOT TURN AT THIS SIGN, AS THIS IS A DIFFERENT ENTRANCE. PROCEED FOR A FEW MILES PAST THIS SIGN.

This sign is a little before mile marker 430 on Hyw 89.

Here is where you will turn off of Hyw 89 on the main park road.

Ponderosa Pine Woodlands

7,000 feet

You're getting close. Keeping going past this sign.

Here is a view looking down in to the camp area. Squint and you will see some white spots which are the campers.

The turn off from the main park road on to FR 776 is around mile marker 28 1/2, which is also 4.3 miles from Ranger check point and 6.2 miles from Hyw 89.

When you turn on to FR 776 you will see this to your right.

Just a close up of the sign in the distance on the picture above.
